

Premier Dental

Diane C Hernandez, DMD

How can you help?

We also kindly request patients take the following steps to help keep everyone as safe as possible:

- Complete a health-screening questionnaire prior to appointment
- Patients who are experiencing symptoms commonly associated with COVID-19 or have recently come into contact with someone who is suspected of having the virus are asked to call and reschedule their appointments
- Use the restroom at home before arriving at our office
- All patients and visitors should arrive at the office wearing a face covering and continue to wear it all times when not being treated
