

Premier Dental West Grove, PA

What are we doing to keep you safe?

- All staff are being screened daily and their temperature taken upon arrival
- We have temporarily closed our waiting room and after notifying us they have arrived, all patients will wait in their vehicles until called for their appointment.
- Only one parent will be allowed to accompany a young patient to the operator and asked to wait directly outside the operator. No siblings of patients will be able to accompany the patient to the operator
- Patients are asked to wash their hands

prior to entering operator

- Patients will be given antiviral mouth rinse when seated for their appointment and their temperature taken
- The use of aerosol-emitting equipment has been limited
- Even though all surfaces and equipment have always been wiped down between patients, we are making sure all disinfectants are Covid-19 compliant.
- Dentist, dental hygienists and assistants will now use N95 masks and additional protective equipment
- We are currently not treating any patients who are known or suspect Covid-19 positive.
